Bid Amendment No. 1

Dear Sir/Ms.:

Please make the following change to your Bid Package:

Delete in its entirety page one of the "Schedule of Items" dated 040623 and replace with the attached page one of the "Schedule of Items" dated 040714.

The Department has received the following Requests for Information:

- Q) What types of tree will be required under Items 621 and will there be an establishment period required.
- R) *Item 621.037 will be Blue Spruce, Item 621.262 will be Sugar Maple and Item 621.54 will be Lilacs. A one year establishment period will be required and shall be incidental to the 621 items.*
- Q) There are some areas that appear to be listed under common excavation and new ditch, how will these areas be paid?
- R) *All areas listed under common excavation will be paid for as common excavation. If there are areas that are listed under both common excavation and new ditch then these areas will be paid for as common excavation and new ditch will be deleted in these areas. At no time will common excavation and new ditch be paid for at the same time for any areas.*

Consider this change and information prior to submitting your bid on July 21, 2004.

Sincerely,

 FOR

Scott Bickford
Contracts & Specifications Engineer
